

## HOMELESSNESS IS NO FUN

For those of us who have had a home all our lives, homelessness can be hard to imagine. If we are ever to address this sad social problem, we must care and understand.

At BACM's annual Sleep in the Street fundraiser we create a small village of boxes and sleep in them overnight. It is a single night of adventure and discomfort brightened by a box decorating contest, potluck snacks, and late night card games. (See inside for details). But what is it really like to find shelter, food and transportation on a daily basis? Where do you go? How do you feel?

**Our Homelessness Simulation Game takes one hour to "play." It is like human Monopoly, only no one gets rich. Anyone can play. Everyone will learn. Your mind and heart will be touched.**

Come "play" with us on Saturday, May 31st, 8:30 pm Barberton First Church of Christ parking lot, 552 Harvard Avenue. The "game" is part of our Sleep in the Street fundraiser, but anyone is welcome (no charge). Please call ahead of time to reserve your game kit 330-745-3693.
